

ICSJS October, 3, 2025

Program

07:00 - 08:00	Registration, Exhibitor set-up, refreshments	
08:00 - 08:10	Introduction	Cross/Kurosawa
08:10 - 08:15	Introduction to Dr. Eiichi Murakami and presentation of the Michael Dierks Lifetime Achievement Award	Kurosawa
08:15 - 08:45	A review of my 30 years of sacroiliac joint research - Development of diagnosis and treatment for sacroiliac joint disorder in Japan.	Murakami
08:45 - 08:55	Questions and Comments	
08:55 - 09:15	The Evolution of the Sacroiliac Joint Algorithm - from SI Joint External Fixator to the Sacroiliac Block with Load Provocative Testing	Sturesson
09:15 - 09:30	Sacroiliac Joint Disorders from a Hip Surgeon's Perspective	Kaneuji
09:30 - 09:50	Tips for diagnosing SIJ disorders and treatment options	Werner
09:50 - 10:15	Questions and Comments	
10:15 - 10:30	Break with Exhibitors	
10:30 - 10:45	Ortho Biologics and the SIJ: New Frontiers	Donner
10:45 - 11:15	Keynote Lecture: Best Practices in Sacroiliac Joint Fusion Surgery - Concepts and Considerations for Revision Procedures	Cross
11:15 - 11:30	Discussion	
11:30 - 12:30	Top 5 Tips and Tricks I've Learned in My Career about the SI joint(5-10 minutes per speaker)	Donner, Kibsgård, Murakami, Sturesson
12:30 - 13:30	Lunch	
13:30 - 13:45	Physical Therapy Tricks of the Trade: Patient demonstrations	Asagi Sato
13:45 - 14:30	Lightning round: My favorite way to diagnose SI Joint pain (5 minutes each)	Kurosawa, d'Hemecourt, Donner, Cross
14:30 - 14:50	Update on the Lancet study: The effect of minimally invasive sacroiliac joint fusion compared to sham operation: a double-blind randomized placebo-controlled trial	Kibsgård
14:50 - 15:05	Break with Exhibitors	
15:05 - 15:20	Lessons from the Norwegian local quality registry for SIJ fusions: mid-term results from differing SIJ implant designs	Randers
15:20 - 15:40	Biomechanics in the Sacroiliac Joint and the Implementation in Understanding Sacroiliac Pain	Sturesson
15:40 - 16:00	Invasive, but non-surgical: My management of SIJ Disease	d'Hemecourt
16:00 - 16:30	Member Meeting	
16:30 - 17:30	SIMEG board meeting	
17:30	Meeting Adjourns	

Hakata hyakunen-gura, Fukuoka, Japan
